The purpose of this Club is to provide facilities for rowing and swimming and to engage in such other athletic activities as may be beneficial to the health and well-being of the members. This property is maintained on behalf of the Recreation and Park Commission of the City and County of San Francisco.

Article III
Membership

Section 1: Classification of Members. There shall be three classes of members:

(a) (a) Life Members. Any person who completes twenty-five consecutive years of paid up membership in good standing shall automatically become a Life Member and shall be accorded all rights and privileges of active Members. Life Members shall not be liable for payment of dues. Life Members who maintain lockers in the Club shall pay a yearly locker fee in advance in an amount determined by the Board of Governors.

If a member resigns, or is terminated for non-payment of delinquencies, and later rejoins or is reinstated, prior and subsequent membership periods shall be counted in calculating years of consecutive paid up membership toward Life Membership, provided that all of the following requirements are met:

- (1) the period elapsed between any date of resignation or termination and the subsequent date of rejoining or reinstatement does not exceed six months;
- (2) the member has paid all dues and others assessments that would have been applicable during the elapsed period;
- (3) the member has paid all amounts required under Section 2 of this Article if rejoining, or the reinstatement fee determined by the Board of Governors and other amounts required under Section 11 of this Article if reinstating; and
- (4) the member has paid any other fees and other obligations or charges incurred for services or benefits actually received, dues, assessments or fines as otherwise required under this Article III.

(b) Out of Town Members. Any person who resides more than 100 miles from San Francisco, may, upon consent of the Board, be placed on the out of town membership list. Each Out of Town Member shall pay dues in an amount determined by the Board but shall not be entitled to maintain a locker at the Club.

(c) Active Members. All other members of this Club shall be Active Members.

Section 2: Eligibility. Any person of at least 18 years of age, of good character shall be eligible for membership without regard to race, color, religion, ancestry, ethnicity, national origin, sex, political

affiliation, sexual orientation, physical handicap, marital status, medical condition (cancer related), conditions diagnosed as Acquired Immune Deficiency Syndrome (AIDS) or AIDS Related Conditions (ARC), or any other grounds prohibited by law. Each applicant shall obtain from the secretary an application form which shall be completed and submitted to the Board of Governors, together with an initiation fee and dues for six months. The financial secretary shall notify each applicant of the date when the applicant shall appear before the Board of Governors to be considered for membership.

Section 3: Rights and Privileges. Except as provided in Paragraph 1 above, each member shall have all the rights and privileges of membership including, but not limited to, the right to use the property and facilities of this Club subject to rules and regulations adopted by the Board of Governors, the right to attend annual and special meetings, the right to nominate and vote for candidates for office, and the right to run for office.

Section 4: Dues. Except as provided in Paragraph 1 above, all members shall pay monthly dues in an amount to be determined by the Board of Governors.

Section 5: Assessments. The Board of Governors may impose assessments on members in the event of an extreme emergency that places the Club in jeopardy. Such an assessment shall require an affirmative vote of two-thirds of the total number of authorized Governors and consent by a majority of the members voting at a meeting or by written ballot. Each member shall be informed of the assessment by notice sent to the member's address of record by first class mail. Any member may avoid liability for such assessment by sending a written resignation to the financial secretary within thirty days after the date of mailing of the notice of the assessment.

Section 6: Annual Meetings. An annual meeting of the membership shall be held at the principal office of the Club at 6:30 p.m. on the third Wednesday in October. At that meeting, the Board of Governors shall review with the members the business of the past year, proposed activities for the next year, and may present any other issue for action of the members. Any issue may be presented for action of the members by the President, the Board of Governors or by written petition to the Board at least five (5) days before the meeting and signed by five (5%) percent or more of the membership. Except for those issues presented for action of the membership, the member shall not be entitled to vote, but, upon recognition by the president, shall be allowed to speak on any issue. There shall be no proxy voting, and the number of voting members present shall constitute a quorum. Except when a greater number is required by law or by other provisions of the By-Laws, approval by a majority of votes cast on a matter constitutes approval by the membership. Blanks and abstentions are not counted.

Section 7: Special Meetings. Special meetings of the members may be called by the Board of Governors or by five (5%) percent or more of the membership for any lawful purpose. The number of voting members present shall constitute a quorum. Except when a greater number is required by law or by other provisions of these By-laws, approval by a majority of votes cast on a matter constitutes approval by the membership. Blanks and abstentions are not counted.

Section 8: Notice of Meetings. Notice of all meetings, whether annual or special, shall be given in writing to all voting members by the secretary. Such notices shall be sent not less than twenty (20) days or more than ninety (90) days before such meeting to the member's address appearing on the books of the Club. Each notice shall state the place, date and time of the meeting and, in addition,

those matters which the Board of Governors, at the time of the mailing of the notice, intends to present for action by the members.

Section 9: Action by Written Ballot. The Board of Governors shall be elected by the members by written ballot and not by action at any meeting. In addition, any action which may be taken at any meeting of the members may be taken by written ballot.

(a) The number of ballots required for a quorum and for approval shall be the same as the number of members and votes required at a meeting.

(b) All ballot solicitations shall state, with respect to ballots other than for the election of governors, the percentage of approvals necessary to pass the matter submitted. The solicitation must specify the time by which the ballot must be received, in order to be counted. (c) The written ballot, which may be sent by and to the Club by electronic transmission, shall afford each member the opportunity to specify choice between approval and disapproval of each matter, blanks and abstentions are not counted. In any election of governors, the written ballot shall instruct the member to vote for no more candidates than there are vacancies; blanks and abstentions are not counted.

(d) The Board of Governors shall be elected by a plurality vote.

Section 10: Leave of Absence. The Board of Governors may grant a leave of absence to any member due to military service or other good and sufficient reason. Military leave shall be for the duration of service plus three (3) months. Other leaves of absence shall not exceed six (6) months, but may be extended by the Board upon written request.

Section 11: Termination of Membership. A member may resign at any time, but resignation shall not relieve the member from any obligations or charges incurred, services or benefits actually received, dues, assessments or fines.

(a) Any member whose indebtedness to this Club, incurred for dues, fines, assessments or other reasons, exceeds the sum of one month's dues shall be considered delinquent. If, after written notification by the financial secretary, the delinquent member fails to repay the outstanding debt by the next Board meeting, the membership of that person shall be terminated. Provided the period elapsed between any date of resignation or termination and the subsequent date of rejoining or reinstatement does not exceed six months, the Financial Secretary may accept a member application to rejoin or be reinstated upon payment of all amounts required for joining or reinstating, as applicable; together with any other fees and other obligations as otherwise required under this Article III. If such elapsed period exceeds six months, then approval of the Board of Governors by a two-thirds vote of those present shall be required.

(b) A member may be expelled from the Club for conduct unbecoming a member or for malicious action detrimental to the best interest or welfare of the Club. Expulsion must be in accordance with the following procedure:

(1) The Board of Governors may, by majority vote, recommend expulsion and shall set a hearing date before the Board of Governors at the next Board meeting.

(2) The Board of Governors shall send written notice to the member, specifying the recommendation of expulsion, the reasons for that recommendation, and advising the member of the member's opportunity to submit a written or oral statement at the hearing.

(3) The Board of Governors, at the hearing, may call witnesses and shall give the member reasonable opportunity to present any explanation or defense.

(4) At the close of the hearing, the Board of Governors shall meet in executive session and shall vote whether to expel the member; approval of expulsion by this Board requires a two-thirds vote of those present.

(5) Expulsion shall be effective five (5) days after the Board of Governors has held the hearing and acts on the recommendation.

Section 12: Inspection. Any voting member of this Club has the right to inspect the books, records and membership lists of this Club for purposes reasonably related to this person's interest as a member and also the right to inspect the financial reports of this Club upon written request. This should not be construed to mean that any member, other than an officer who is directly involved, should have access to confidential information concerning any member, including, but not limited to; address, telephone number, or personal financial records.

Section 13: Liability. No member shall lend any of the boats or other property of the Club to any person except upon consent of the Board of Governors. Any member who violates this prohibition or who shall maliciously or through gross carelessness injure or destroy boats or other property of the Club shall be responsible for all damage or loss to the Club and is subject to Board action.

Article IV *Board of Governors*

Section 1: Powers. This Club shall have powers to the full extent allowed by law. All powers and activities of this Club shall be exercised and managed by the Board directly or, if delegated, under the ultimate direction of the Board.

Section 2: Number of Governors. The authorized number of governors shall be fifteen (15): the President, Vice-President, Recording Secretary, Financial Secretary, Treasurer, Boat Captain, House Captain and eight governors elected at large.

Section 4: Nomination and Election. Any person who has been a member for one (1) year or more and is in good standing is eligible for nomination to the Board of Governors. Each candidate shall be nominated by five (5) members in good standing. Nominating petitions furnished by the Club shall be submitted by the candidate to the Recording Secretary for certification. No member may run for more than one office. Each candidate shall appear at the November meeting of the Board of Governors to confirm that member's candidacy. The Board of Governors may, on good cause shown, waive the requirement that a candidate personally appear at the November meeting.

(a) The election of Governors shall be in accordance with the written ballot provisions contained in Article III, Section 9. In addition, the mechanics of the election shall be handled jointly by the recording secretary and the financial secretary in coordination with the Ballot Committee.

(b) Nominating petitions for candidates must be received by the secretary on or before the November meeting of the Board of Governors.

(c) A Ballot Committee of three (3) members in good standing who are not nominees for election,

shall be elected by the Board of Governors in November. The Ballot Committee shall set the date, time and place for ballot tabulation.

(e) Election results shall be published in the Dolphin Log and posted on the Club bulletin board.

Section 5: Vacancies. A vacancy in the Board of Governors shall be deemed to exist in the event that the actual number of governors is less than the authorized number for any reason. Vacancies may be filled by the Board for the unexpired portion of the term remaining until the next annual election.

Section 6: Resignation and Removal. Resignation of any governor shall be effective upon receipt of written notice by the Secretary. The Board may remove a governor who has been declared of unsound mind by final order or court or convicted of a felony or found by a judgment of any court to have breached the Standard of Care provided for in these Bylaws. The Board may remove and replace any governor who has missed two consecutive Regular Meetings, or three Regular Meetings in total during the calendar year. A governor may be removed for any other reason only by a vote of a majority of the members by written ballot or at a meeting.

Section 7: Regular Meetings. The regular meetings of the Board of Governors shall be held at the principal office on the third Wednesday of each month at 7 p.m., provided however, that the meeting in October shall convene after closure of the annual member meeting.

Section 8: Special Meetings. Special meetings of the Board may be called by the president or at written request of twenty five (25) members. No other business than that for which the meeting was called shall be transacted.

Section 9: Notice. Written notice of any special meeting of the Board shall be given to each governor at least four (4) days before any such meetings. The notice shall be delivered personally or by first class mail or telegram.

Section 10: Waiver of Notice. The transactions of any meeting of the Board, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if a quorum is present, and either before or after the meeting, each of the governors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. All waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Notice of a meeting shall also be deemed given to any governor who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

Section 11: Quorum. A majority of the governors then in office shall constitute a quorum. The act of a majority of the governors present at a meeting at which a quorum is present shall be the act of the Board of Governors, except as provided in Article III, Sections 5 and 11. A meeting at which a quorum any action taken is approved by at least a majority of the required quorum for such meeting.

Section 12: Standard of Care.

(a) General. A governor shall perform the duties of a governor, including duties as a member of any

committee of the Board on which the governor may serve, in good faith, in a manner such governor believes to be in the best interest of this Club, and with such care, including reasonable inquiry, as an ordinarily prudent person in a like situation would use under similar circumstances.

In performing the duties of a governor, a governor shall be entitled to rely on information, opinions, reports or statements, including financial statements and other financial data, in each case prepared or presented by:

(1) One or more officers or employees of the Club whom the governor believes to be reliable and competent in the matters presented;

(2) Counsel, independent accountant or other persons as to matters which the director believes to be within such person's professional or expert competence; or

(3) A committee of the Board upon which the governor does not serve, as to matters within its designated authority, which committee the governor believes to merit confidence, so long as in any such case, the governor acts in good faith, after reasonable inquiry when the need thereof is indicated by the circumstances and without knowledge that would cause such reliance to be unwarranted.

A person who performs the duties of a governor in accordance with the above shall have no liability based upon any failure or alleged failure to discharge that person's obligations as a governor including, without limiting the generality of the foregoing, any actions or omissions which exceed or defeat a public or charitable purpose to which a corporation, or assets held by it, are dedicated.

(b) Investments. Except with respect to assets held for use or used directly in carrying out this Club's activities, in investing, reinvesting, purchasing, acquiring, exchanging, selling, and managing this corporation's investments, the Board shall avoid speculation, looking instead to the permanent disposition of the funds, considering the probable income, as well as the probable safety of this Club's capital. No investment violates this Section where it conforms to provisions authorizing such investments contained in an instrument or agreement pursuant to which the assets were contributed to this Club.

Section 13: Prohibited Transactions.

(a) Loans. This Club should not make any loan of money or property to or guarantee the obligation of any governor or officer; provided, however, that this Club may advance money to a governor or officer of this Club for expenses reasonably anticipated to be incurred in performance of the duties of such officer or governor so long as such individual would be entitled to be reimbursed for such advance.

(b) Self-Dealing Transaction. Except as provided in Subsection C below, the Board shall not approve a self-dealing transaction. A self-dealing transaction is a transaction to which this Club is a party and in which one or more of the governors has a material financial interest.

(c) Approval. The Board of Governors may approve a self-dealing transaction if the Board determines that (1) the Club is entering into the transaction for its own benefit; (2) the transaction is fair and reasonable to the Club; and (3) after reasonable investigation, the Board

effort under the circumstances. Such determinations must be made by the Board, in good faith, with knowledge of the material facts concerning the transaction and the governor's interest in the transaction, and by a vote of a majority of the governors then in office, without counting the vote of any interested governor.

Section 14: Indemnification. This Club shall provide indemnification to the full extent allowed by law. The Board of Governors may adopt a resolution authorizing the purchase of Insurance on behalf of any agent of this Club against any liability asserted against or incurred by the agent in such capacity or arising out of the agent's status as such, whether or not this Club would have the power to indemnify the agent against that liability under law.

Section 15: Inspection. Every governor shall have the absolute right at any reasonable time to inspect and copy all books, records, and documents, and to inspect the physical properties of this Club.

Section 16: Compensation. The governors shall serve without compensation. This provision shall not prevent the Board from authorizing the payment of reasonable compensation to a governor for work performed for the Club in any capacity other than governor. At all times, however, at least fifty one (51%) percent of the Board shall consist of governors who have not been compensated by the Club within the prior twelve (12) months and who are not related by blood or marriage to any person so compensated.

Section 17: Committees. The Board of Governors may, by resolution, authorize such committees as it may deem necessary and shall appoint the membership of such committees. Meetings and actions of any committee shall be governed by and held and taken in accordance with the provisions of this article concerning meetings of the Board of Governors with such changes in the context of those sections as are necessary to substitute the committee and its members for the Board of Governors and its members. The Board of Governors may adopt rules for the governance of any committee not inconsistent with these Bylaws.
